DCRB Information Bulletin #032

To all members of the DCRB:

2025 Pricing Program Reports Now Available

The Delaware Compensation Rating Bureau (DCRB) has published its latest **Pricing Program Reports**, now available on dcrb.com in the [Research & Education](#) section under [Industry Reports](#).

These reports provide valuable insight into Delaware's key pricing programs, offering a clear view of program participation, performance, and overall impact. Built to support informed decision-making, the reports translate detailed experience data into concise, practical findings for underwriting, pricing, and operational strategy.

Available Reports Include:

- [Delaware Schedule Rating – 2025 Analysis of Experience](#)
- [Delaware Workplace Safety Program – 2025 Analysis of Experience](#)
- [Delaware Construction Classification Premium Adjustment Program – 2025 Analysis of Experience](#)

Each report highlights important trends, participation levels, and financial outcomes, helping stakeholders better understand how these programs function within Delaware's workers compensation system.

Members are encouraged to review these reports as part of DCRB's ongoing commitment to transparency and data-driven insight.
